

# BRITISH COLUMBIA OFF – HIGHWAY VEHICLE WORKSHOP JULY 13<sup>th</sup> & 14, 2007

**WHY:** The sport of off-highway motorized recreation is rapidly growing in our Province. With growth, comes demand for more trails and potential social and resource issues. If we want to continue to ride in the future, we will need tools and strategies that will protect our resources and maximize our trail experiences.

**WHAT:** The Ministry of Tourism, Sports, and the Arts and the Okanagan Trail Riders Association are hosting a workshop for riders, decision makers and other stakeholders geared toward finding solutions, mitigating resource impacts, and providing for the sport of OHV recreation.

**WHEN:** July 13, 2007 8 – 5pm Friday Workshop  
July 14 Saturday 8 – 5pm Bear Creek Field Trip *availability limited*

**WHERE:** University of British Columbia Student Services Lecture Theatre, Kelowna, BC.  
Workshop and field trip are free of charge. Parking is \$2.00/day

**REGISTRATION:** Register online at [www.okanagantrailriders.com/news/workshop.htm](http://www.okanagantrailriders.com/news/workshop.htm) (preferable)
